DHARSHINI S

Data & Business Analytics | Dashboard Reporting | Data-Driven Insights

+91-8903422389 | dharshinisundaram21@gmail.com | linkedin.com/in/dharshini-s-7703593a4

PROFILE SUMMARY

Motivated Information Technology undergraduate with a strong foundation in data analytics, business reporting, and dashboard development. Experienced in preparing analysis-ready datasets, developing interactive dashboards, and presenting data-driven insights using Excel, Power BI, Tableau, SQL, R, and Python. Proficient in leveraging Generative AI to enhance reporting, analysis, and productivity. Strong analytical, communication, and collaboration skills with a passion for supporting strategic initiatives and delivering high-quality solutions in fast-paced environments.

CORE SKILLS

Data Analysis & Visualization: SQL, R, Python, Power BI, Tableau, Excel (Pivot Tables, XLOOKUP, Charts)

Business & Reporting: Business Reporting, Dashboard Development, KPI Tracking, Report Preparation, PowerPoint

Data Quality & Governance: Data Cleaning & Validation, Data Integrity, Data Preparation (ETL Concepts), Trend & Pattern Analysis

Collaboration & Communication: Cross-Functional Collaboration, Stakeholder Communication, Documentation, Problem Solving

AI Tools: ChatGPT, Generative AI, AI-Assisted Reporting & Content Development

Cloud Platforms: Azure and AWS

PROFESSIONAL EXPERIENCE

Srivari Enterprises — Web Development Intern *Puducherry*

3-Week Internship

- Completed a front-end development internship using HTML and CSS, gaining early exposure to the Software Development Lifecycle (SDLC).
- Designed and developed responsive user-interface pages for a computer sales website.

NSIC — AI & Machine Learning Intern *Chennai*

3-Week Internship

- Completed an internship on AI and Machine Learning fundamentals using Python, gaining exposure to automation techniques and core model workflows.
- Applied hands-on analytical and problem-solving skills to machine learning exercises and basic model-building tasks.

PROJECTS

Retail Sales Analytics Dashboard *Power BI*

- Built an interactive retail sales dashboard using KPI cards, dynamic charts, and slicers to analyse sales, profit, orders, quantity, and regional performance.
- Designed data models and DAX measures to generate real-time business insights and support data-driven decision-making.

AI-Powered E-commerce Sales Forecasting Dashboard *Python & Tableau*

- Forecasted e-commerce product sales from historical data, performing data cleaning, preprocessing, and analysis with Python & SQL.
- Built an interactive Tableau dashboard visualizing trends, predicted-vs-actual sales, and AI-generated recommendations for inventory and marketing optimization.

Bike Sales Analysis & Interactive Dashboard *Excel*

- Analysed bike sales data to uncover trends across regions, customer segments, and product categories.
- Built an interactive dashboard with pivot tables, charts, slicers, and formulas to visualize sales performance and key insights.

Global Employee Layoffs Dataset Cleaning & Preparation *MySQL*

- Cleaned and standardized layoffs data from 2,000+ companies by removing duplicates and resolving missing values.
- Applied core ETL (Extract, Transform, Load) principles to validate and prepare an analysis-ready dataset with standardized dates, text, and numeric fields.

CERTIFICATIONS

- **Deloitte Data Analytics Job Simulation** (Forage) — Data analysis, data visualization, and forensic technology
- **Tata GenAI Powered Data Analytics Job Simulation** (Forage) — Applied Generative AI for business reporting and analytics
- **IBM Data Analysis with Python** (Cognitive Class) — Python-based data analysis, visualization, and manipulation
- **SQL Certification** (Simplilearn) — SQL fundamentals, queries, joins, and database operations
- **Microsoft Excel Certification** (Simplilearn) — Excel fundamentals and data manipulation

EDUCATION

Puducherry Technological University *2022 – 2026*

B.Tech in Information Technology | CGPA: 8.44 / 10

Nirmala Ranee Girls Hr. Sec. School *2012 – 2022*

HSC: 83.5% | SSLC: 78.5%
